fornia--Gold di scoveries. I. Audubon,  
Maria Rebecca, 1843- II. Hodder,  
Frank Heywood, 1800-1895, ed.

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. It is a message of condolence to the people of the State of California, who have been afflicted by a severe drought. The President expresses his sympathy for the suffering and his hope that the Congress will take prompt action to relieve the distress.

2. The second part of the document is a report from the Secretary of the Interior, dated January 3, 1862. It contains information regarding the land claims of the State of California, and the progress of the survey of the public lands. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

3. The third part of the document is a report from the Secretary of the Treasury, dated January 3, 1862. It contains information regarding the public debt, and the progress of the collection of taxes. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

4. The fourth part of the document is a report from the Secretary of the War, dated January 3, 1862. It contains information regarding the military operations in California, and the progress of the campaign against the Indians. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

5. The fifth part of the document is a report from the Secretary of the Navy, dated January 3, 1862. It contains information regarding the naval operations in California, and the progress of the campaign against the Indians. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

6. The sixth part of the document is a report from the Secretary of the State, dated January 3, 1862. It contains information regarding the diplomatic relations of the United States with the State of California, and the progress of the campaign against the Indians. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

7. The seventh part of the document is a report from the Secretary of the Interior, dated January 3, 1862. It contains information regarding the land claims of the State of California, and the progress of the survey of the public lands. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

8. The eighth part of the document is a report from the Secretary of the Treasury, dated January 3, 1862. It contains information regarding the public debt, and the progress of the collection of taxes. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

9. The ninth part of the document is a report from the Secretary of the War, dated January 3, 1862. It contains information regarding the military operations in California, and the progress of the campaign against the Indians. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

10. The tenth part of the document is a report from the Secretary of the Navy, dated January 3, 1862. It contains information regarding the naval operations in California, and the progress of the campaign against the Indians. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

11. The eleventh part of the document is a report from the Secretary of the State, dated January 3, 1862. It contains information regarding the diplomatic relations of the United States with the State of California, and the progress of the campaign against the Indians. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

12. The twelfth part of the document is a report from the Secretary of the Interior, dated January 3, 1862. It contains information regarding the land claims of the State of California, and the progress of the survey of the public lands. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

13. The thirteenth part of the document is a report from the Secretary of the Treasury, dated January 3, 1862. It contains information regarding the public debt, and the progress of the collection of taxes. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

14. The fourteenth part of the document is a report from the Secretary of the War, dated January 3, 1862. It contains information regarding the military operations in California, and the progress of the campaign against the Indians. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

15. The fifteenth part of the document is a report from the Secretary of the Navy, dated January 3, 1862. It contains information regarding the naval operations in California, and the progress of the campaign against the Indians. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

16. The sixteenth part of the document is a report from the Secretary of the State, dated January 3, 1862. It contains information regarding the diplomatic relations of the United States with the State of California, and the progress of the campaign against the Indians. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

17. The seventeenth part of the document is a report from the Secretary of the Interior, dated January 3, 1862. It contains information regarding the land claims of the State of California, and the progress of the survey of the public lands. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

18. The eighteenth part of the document is a report from the Secretary of the Treasury, dated January 3, 1862. It contains information regarding the public debt, and the progress of the collection of taxes. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

19. The nineteenth part of the document is a report from the Secretary of the War, dated January 3, 1862. It contains information regarding the military operations in California, and the progress of the campaign against the Indians. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

20. The twentieth part of the document is a report from the Secretary of the Navy, dated January 3, 1862. It contains information regarding the naval operations in California, and the progress of the campaign against the Indians. The report also mentions the discovery of gold in California, and the measures taken to regulate the mining industry.

1. The first part of the paper is devoted to a general  
discussion of the problem. It is shown that the  
problem is of great importance in the theory of  
the differential equations of the second order.

2. In the second part of the paper the author  
presents a detailed analysis of the problem. It is  
shown that the problem is of great importance in the  
theory of the differential equations of the second order.

3. In the third part of the paper the author  
presents a detailed analysis of the problem. It is  
shown that the problem is of great importance in the  
theory of the differential equations of the second order.

4. In the fourth part of the paper the author  
presents a detailed analysis of the problem. It is  
shown that the problem is of great importance in the  
theory of the differential equations of the second order.

5. In the fifth part of the paper the author  
presents a detailed analysis of the problem. It is  
shown that the problem is of great importance in the  
theory of the differential equations of the second order.

6. In the sixth part of the paper the author  
presents a detailed analysis of the problem. It is  
shown that the problem is of great importance in the  
theory of the differential equations of the second order.

7. In the seventh part of the paper the author  
presents a detailed analysis of the problem. It is  
shown that the problem is of great importance in the  
theory of the differential equations of the second order.

Japanese paper balloon bombs: : the  
first ICBM. -- North Hills, [Penn.]  
: Bird & Bull Press, 1982.  
[27] p. ; 11 cm.

' 'The story of these balloons ...

has been ... compiled by Robert C.  
Mikesh ... Published by the  
Smithsonian Institution Press in 1973,  
his report [Japan's World War II  
Balloon bomb attacks on North America]  
is the standard work on the subject,  
and this essay is drawn largely from  
it.' '--p. [8].

Accompanied by illustration on one  
folded sheet tipped into a 2-ply paper  
folder.
